Dear Mathias:

Congratulations! You have been accepted to Missouri University of Science and Technology, one of the nation's premier public research universities. You have been admitted to Computer Science BS for the Fall 2025 (August-December) term. Your application, academic record and extracurricular accomplishments have been thoroughly reviewed, and we enthusiastically welcome you to the S&T family! Additionally, we are pleased to inform you that you have been awarded a scholarship package with an estimated value of **\$10,000**, see below for more details.

Missouri S&T boasts an exceptional track record in retaining and graduating students, and we're excited about playing a role in helping you reach your full potential. Before you attend your Advising & Registration session your academic file will be reviewed again to determine if additional support is recommended within your first year. You may be provided the opportunity to join Cornerstone Peers—an enriching scholarship and support initiative. This is a required experience that all chosen students have the pleasure of being a part of!

Missouri S&T takes great pride in promoting the success of our students. We are highly selective university and our students enjoy exceptional academic support, extensive undergraduate involvement in student activities and outstanding career and graduate or professional school placement rates. S&T is also strongly committed to students' timely degree completion.

WHAT'S NEXT?

The enclosed information sheet contains important details on the process of enrolling at Missouri S&T, including: Advising & Registration campus housing, scholarships and financial assistance, and student support programs. Please be sure to review all information carefully and complete these important steps:

- Establish your ability to access the S&T student information system (Joe'SS) and your S&T email account.
- Submit your application for additional scholarships at scholarships.mst.edu
- Submit your FAFSA application at fafsa.gov
- Connect to your portal at <https://connect.mst.edu/apply/status> to complete your next steps

Your admission to Missouri S&T and any subsequent scholarship awards are contingent upon receipt of a final transcript, demonstrating successful completion of all remaining coursework and graduation from high school. If you have any questions about your next steps in the enrollment process, please contact the office of Undergraduate Admissions at: admissions@mst.edu or 800-522-0938.

Congratulations, again! We look forward to seeing you on campus as a future MINER!

Sincerely,

A handwritten signature in black ink that reads "Ashley Crilly". The signature is written in a cursive, flowing style.

Ashley Crilly

MISSOURI UNIVERSITY OF SCIENCE AND TECHNOLOGY

Scholarship Offer from Missouri University of Science and Technology

Congratulations, Arreyebot! We are pleased to reward your academic accomplishments with the \$10,000 university scholarship package outlined below for the accepted academic year:

Scholarship	Value	Date Awarded
Groundbreaker Scholarship	\$8,000	12/18/2024
Trailblazer Scholarship	\$2,000	12/12/2024

Total Annual Merit Assistance: \$10,000

In addition to this scholarship package, we are also excited to offer you the additional services:

- Personalized visit with an admissions counselor to help guide you through your transition to college
- Customized academic planning in order to utilize all outside credits for success
- One-on-one visit for you and your family with a financial aid counselor to navigate college finances

The award(s) listed are based upon the data you provided at the time of admission and are contingent on the accuracy of that information. The award(s) require enrollment as a full-time student and are renewable annually upon meeting renewal requirements found at sfa.mst.edu/financial-aid/scholarships/renewal/.

If all or any portion of your award(s) become funded by private donor gifts, you will be notified as gift funds are identified and your award is named. External scholarships do not typically cause a reduction to your merit award(s) as long as scholarship totals do not exceed your established cost of attendance.

This is a revised scholarship offer and it will supersede any other offer that was provided by the Admissions Office
